DETAILED ACTION

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

On page 1, line 4, **delete** Serial No. _____ , **insert** Serial No. 60/312,974

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Claims 13, 15, 23, 25, 33, 42 are allowable over the prior art of record because the prior art of record fails to teach or fairly suggest if said second plurality of identifiers does not substantially match said first plurality of identifiers, creating a second data storage structure within said storage device storing said second set of data within said second storage structure of said storage device, as detailed in independent claims 13, 23, and 33.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
